

TŪWHARETOA
MĀORI TRUST BOARD

ENVIRONMENTAL COORDINATOR NATURAL RESOURCES

The Tūwharetoa Māori Trust Board administers Taupō Waters on behalf of, and for the benefit of present and future generations of Ngāti Tūwharetoa, and is committed to enabling social, cultural, environmental and economic goals and aspirations. To ensure that this occurs, it requires the effective and prudent management of the Trust Board's core assets.

Reporting to the Natural Resource Manager based in Taupō, you will be engaged in an exciting and broad range of projects, implementing our environmental plan for Taupō Waters, engaging in local, regional and national policy processes. This is a unique mixture of environmental management of the Tūwharetoa Māori Trust Board Assets, RMA implementation, compliance and resources process and monitoring. This position will also include field-based work and to manage our Section 33 water monitoring requirements.

This exciting full time, permanent role will be a unique and interesting challenge, with significant scope for growth.

To be successful in this role:

- You have experience working in an RMA planning or similar role
- You're able to be self-directed and work independently where necessary
- You enjoy building productive and positive working relationships with a wide range of people from all walks of life
- You're a team player, enjoy a laugh, love variety and the challenge of environmental planning
- You are physically fit and capable

Applicants will be required to complete an application form and send a CV and covering letter to HR@tuwharetoa.co.nz.
